## **LIFETIME WARRANTY**

On all wastewater diversion systems parts that fail due to defects in materials or workmanship. Parts covered include the WDS transfer demand valve, WDS transfer diversion valve, silt and solids basket, cast iron frame & grate & the fiberglass pit. Normal wear & tear excluded.

Our warranty will apply whether or not you have a scheduled maintenance program. However, we do recommend a scheduled maintenance program for your benefit to keep your equipment in tip-top shape and avoid system down time & loss of production.

It is required that all failed parts be sent to our factory prepaid for inspection & failure determination. Failed parts due to defects in materials or workmanship will be repaired or replaced at no cost to the original owner. Return freight cost of repaired or replaced parts at owner's expense. This warranty does not cover the cost of job site visits by WDS or any other service companies contracted by the customer.

Start-up can be done via a job site visit or a cell phone call from the customer at the job site to our factory. There will be a charge for a job site visit but no charge for a phone call. Phone call start-up will not void or affect the warranty in any way.
